Teach me your ways, I am your student. Mold me into a new being. Oh wise one, I am clay in your palms. I will bend and break for the craft at play. This logo is named "Foiled Plans". I show it to you as a humble creator. Please, I am yours.

BOYS CLUB Renaissance

For shame deny that thou bear'st love to any,
Who for thy self art so unprovident.
Grant, if thou wilt, thou art beloved of many,
But that thou none lov'st is most evident:
For thou art so possessed with murderous hate,
That 'gainst thy self thou stick'st not to conspire,
Seeking that beauteous roof to ruinate
Which to repair should be thy chief desire.
O! change thy thought, that I may change my
mind: Shall hate be fairer lodged than gentle love?
Be, as thy presence is, gracious and kind,
Or to thyself at least kind-hearted prove:
Make thee another self for love of me,
That beauty still may live in thine or thee.

ladies and gents, its that time of the yr again . March Madness is in full swing and let me tell ya; its 1 helluva ride. all month long u get to crack open a few cold ones w/ the boys and not have a care in the world. did u fill out ur bracket?? if so nice job, cuz i didnt. but that doesnt mean i cant enjoy the festivities _(`)_/. last year my *powder blu boys* aka the *North Carolina Tarheels* lost at the buzzer in the championship game to villanova.... smdh. i dont even know where that school is located on a map . jokes on them tho b/c they lost to *wisconsin* in the 2nd round. 😂 the other night i had the chance to see the #11 seed xavier pull off the upset against #2 *arizona!* how wild is that. i luv a good under dog story. i cant wait until the end of the tourney where they play the annual montage of luther vandross' "one shining moment". (RIP luther <3) those montages make me tear up.

WHEN GOD GOES TO HEAVEN...

This is an ad for 'Cyclin Christians. While there is currently no biblical evidence of God ever riding a motorcycle, we know that if she was a corporal entity in our time period, she would definitely ride a 1964 Harley Davidson WR Factory Racer. She likes to feel the wind in her hair, but keep it appropriate for the kiddos. After all, God eats fish with the in-laws every Saturday, and she has to leave a good impression. To join 'Cyclin Christians, send an email to godlovesbikes@gmail.com. Bless y'all!

Thanks, really.

C'mon, pat yourself on the back. We really did it. Enjoy yourself, go back and flip around some more. Don't limit your experience, we really wouldn't want that to happen. Don't slip in the puddle.

Spin Class Magazine is about a 75 degree day, no wind. We're crash landing far beyond our time spectrum, *the future is now*. Our eyes see far and wide, as a collective we are a large, porous sponge. If we're on the machines at the gym, don't ask if you're next, because you already were. This is for FAST-LANE Members only and that's how we're going to keep it. Prepare your shelters, we'll be spinning for a minute.

We're always looking for new artists to work with. If you're interested in such endeavors, email us at spinclassmag@gmail.com. Remember, your work is not to stem from anyone but your own noggin, enjoy yourself.

Again, we over here at Spin Class express our ever present gratitude. Your eyes have precious clocks within them, you spent your time here, with us. Stretch in the morning, brush your teeth. Feel clean, walk at a quick pace.

Life is speeding by...

...

...do you fall, or do you fly?

“Having fun.”
